

Sounds-Write

An evidence-based phonics program

Canberra Training

18th and 19th November 2016

17th and 18th February 2017

Sounds-Write is an evidence-based and highly successful synthetic phonics approach to teaching reading, spelling and writing, see www.soundswrite.co.uk

This four day intensive course for classroom teachers, assistants, therapists, parents and others, offers an instructional method that is structured, cumulative, sequential and explicit, covering the concepts about sounds and spellings that students need to learn; and practicing each lesson's teaching and error correction procedures.

Sounds-Write is developmentally appropriate for beginning readers in Kinder, Year 1 and Year 2, and also offers fast, highly effective intervention for learners at all levels that have fallen behind in their reading and spelling.

Presenter: registered Sounds-Write trainer and tutor Mary Gladstone (seated on right in photo) is a primary school teacher with 40 years experience, mostly with children with learning and behavioural difficulties, who holds a Diploma of Specific Learning Difficulties (Dyslexia). You can view a 15 minute video online about it including participants' feedback at: <https://youtu.be/AOjQzSnToiA>

Where: Holy Family Primary School – Castleton Crescent, Gowrie, Canberra
